TECHNICAL

- Microsoft Office
- Basic WordPress

PROFILE

Through varied experiences in ministry and retail I have discovered my love for shared spaces. Inclusive environments have allowed me to grow, fail, and contribute to a greater good- whether that be a sales goal or a community initiative. I bring a collaborative work ethic to groups I work with and value helping others lead as I improve my own skills. I thrive in positive, innovative spaces and hope to bring grace, integrity, and creativity to every position I'm in.

EDUCATION

2009-2013

Bachelor of Science in Economics and Religion

Florida State University

2014- Present

Masters of Divinity

Duke Divinity School
